

To all the membres,

The beginning of a new season is at our doors. As you all get prepared physically, the club has to get prepared administratively. That's right it's time for the AGM! It will be held on January 28th 2010, and not only are you all invited to participate, we ask that you do.

This year there are many issues that need to be dealt with, whether it be the FRQ structure, junior programs, sponsorships, 55th anniversary celebrations, Tour, etc and we all need to discuss these issues and vote on the executive members that will carry your opinions through. Last year, there were many positions for which the votes were very close, so every vote is important. I especially call upon the senior/premier men to come in great numbers at the AGM and voice your opinions. This is the time to do it!

I'm convinced that 2010 will be a great year... but in order to do so, your Club's executive needs your input.

Details on time and location will be posted on the website.

Jean-Philippe Martineau
TMRRFC President
